

## Manager Update

Hello and welcome to April,

After the hectic month of March, I am hoping April is more restful.

I would like to welcome Malar, our new Care Coordinator who has worked in health in Australia for the past 10 years. Malar's pastime is reading James Patterson books and spending time with her family. Please join me in welcoming her to the team.

Cheryllea has transitioned into the Training Facilitator role so if there were any education opportunities you would like to suggest, please do not hesitate to reach out.

Another evening event with guest speakers for residents and relatives is being organised for May, so please watch this space and send any suggestions for topics of discussion in!

Thank you to the people who attended the Fire Training, held especially for residents and family and friends. We aim to continue this on an annual basis.

We have finished the month with a bang! Wisteria's working bee had an amazing turnout and I would like to thank the Marebello team, family member Lea and the Maintenance, HR and Finance teams from Shared Services for their assistance. Many hands do make light work - much was accomplished. The next working bee will be situated in Magnolia. I will send out a separate email advising the community of the date, so please feel to join us or send ideas. Resident Max cooked a wonderful BBQ afterwards to energise the group.

Please see the new notice board outside the Stradbroke Restaurant for any updates.

The roadworks are continuing on our side of the road. Please be aware the entry to Marebello has changed and can now only be accessed by the signed entry near the Koala Vet driveway.

Please be aware some new menu items have been added to the Cafe' menu - please have a look and let me know what you think.

Thank you and as always feedback is welcomed.

Warm regards, Laura and Meegan.

## Servizi Update

The wet weather didn't curb the enthusiasm of our Food & Fun group, venturing to the Alex Hills Hotel.

Wonderful hospitality and great conversation was the order of the day.

## Servizi Update

Jodi Dalton  
Servizi Concierge

Dear Marebello community,

It's with a hint of both excitement and sadness I say goodbye to Marebello on the 28th of March. I am excited to be joining my husband in early retirement and to start ticking off our travel bucket list, however sad to be leaving our wonderful Marebello community after 2.5 years.

I have been blessed to work with the amazing staff at Marebello, in particular my Servizi team who have been instrumental in the success and growth of the program from its early stages. I'm equally blessed and privileged to have shared my time with so many of our amazing residents and their families. We have laughed, cried, sung and danced together. I have listened in awe to so many inspiring life stories, reminiscing with you of times gone by. It has been a rewarding journey knowing that the Servizi team and I have enhanced the lives of our residents, as they have enriched mine.

When I decided several years ago to transition into a new field of employment, a wise friend said to me "Whatever you decide Jodi, make sure it is something that fills your heart."

Thank you Marebello – mission accomplished xx Jodi

## *Lifestyle Update*

April Lifestyle Newsletter.

Hope everyone had a lovely Easter and enjoyed the holidays. April is a busy month again for all our residents.

We have Glenda and her fashion shop here for everyone, so please ensure your loved one has some spending money available to shop with. We have our monthly outing on again and this time we will be going to the Hoya Garden Centre at Capalaba.

The outing to Indigiscapes was very lovely. The ladies were very impressed at all the trees and the types of gardens there were.

The Men's group meet again in April and we are trying to organise a visit from the local Scout troop.

The boys have enjoyed a BBQ and watched the "Rumble in the Jungle" on the big screen.

We have a new entertainer joining us this month, Pat Craigie. We look forward to hearing his wonderful tunes.

The entertainment from last month was great and we all had a great time having a dance and singing a song. We have Joel's Classic Movies out again this month and I can not wait to see what he has for us.

We got our baby chickens all hatched and sent back off to the hatchery. It was fun seeing them hatching out all at once.

Our ANZAC Day service will be held on Tuesday 23rd April at 9:30am followed by a ANZAC biscuit or two and a good sing -a-long. This year we celebrate and honour our Indigenous Service and our Peacekeepers in East Timor. Everyone is invited.

I hope you all have a wonderful month and I for one am looking forward to the cooler weather (I hope!)

My quote for the month is:-

"We all start somewhere. It's where you end up that counts."

Eileen.
